GIANT MOMENTS

*A moment to dream
of the happiness of a victory,
of the sadness of a defeat,
of the closeness of a friendship,
of the loneliness of silence.
A moment to remember
the smiles and secrets shared
together,
the Prom and Homecoming, those
special times.
A moment to hold close that which
means so much
but only for a moment.*

The Homecoming pep session was held outside on the football field. Students raced from their fifth period classes to urge the Giants on to a victory over Washington that night.

While relaxing after lunch, Jack Crane, Jack Keeler and Steve Simpson discuss the latest fads.

Hustle and bustle occurs during the five minute break between classes.

Ben Davis students stop off at the Burger Chef for a quick snack after a football game.

During free time Dave Hoglin, Mike Norris, Jack Crane, and Jim Stoner take advantage of the student lounge.

The honorary math club Mu Alpha Theta, had high standards for its members. BD students having above average grades in math, and at least a "C" average in all subjects, were eligible for this national honorary. Urging BD-ites to do their best and recognizing outstanding math students were the purposes of the club. In December they decorated a Christmas tree in the Cafeteria, as in past years. To be a member, one must have completed at least one year of publications and maintain a "B" average. This honorary was for students who had excelled in academics and publications. Mask and Gavel is the joining organization of the Ben Davis National Forensic League and Thespians Troop 21. Projects to promote better unity between speech and theater included selling tickets, working on make-up and stage crews and promotion of speech activities, as well as several plays.

The year proved especially rewarding for NFL members. In December, the Ben Davis Chapter of NFL was awarded national recognition for being in the top twenty-five chapters in the country. This came through the industrious work of its members in debate, dramatics, extemporaneous speaking, poetry and original oratory.

The Thespians were not idle, either. The year included three major plays: "Little Mary Sunshine," a comedy; "J.B.," a drama; and the musical "My Fair Lady." In order to collect some much needed money, the Children's play "The Clown Prince of Wonderlust" was performed several times.

Mask and Gavel officers were: *Seated*, Ray Poland, Vice-Pres.; Wayne Stringer, Hist.; and Max Magnabosco, Vice-Pres.; *Standing*, Mr. Max McQueen, Sponsor; Mr. Larry Highbaugh, Sponsor; Gary Tomlin, Pres.; and Jeff Sparks, Treasurer and Mr. Bob Hughes, sponsor.

But to the rescue of Little Mary, played by senior Sue Miley, came Ray Schroeder, sophomore, and his troop of Forest Rangers. Lance Thompson, sophomore, and Kathy Gibb, senior, added a comical sideline and aided in the action.

This saga of Colorado was produced as the first of the year's three major plays of the Mask and Gavel Club. Director was Mr. Larry Highbaugh, assisted by technical director Mr. Bob Hughes.

"JB", the classical portrayal of man's questioning of God's actions, was the winter drama. Junior Jeff Sparks, as Mr. Zeus, and senior Ralph Perdue, as Nicholas, representing God and Satan, respectively, argued the outcome of the trials of JB.

Meanwhile 'Liza's father, Joe Garner, and his best friends, Jim Dressback and Gary Robinson, celebrate Dolittle's new wealth and coming marriage.

by BD students

To make a lady in three short hours took five long weeks of rehearsal for the cast of "My Fair Lady." The musical told the story of a London flower girl who desired to become a lady and her struggles, successes and problems. Portraying the courageous little Cockney, 'Liza Dolittle, was Ellen Magee, senior. Also sharing lead roles were seniors Gary Tomlin as Professor Higgins and Ray Poland as Colonel Pickering. Eliza's father, Alfie Dolittle, played by Joe Garner, added a breath of fresh air as his own amusing story ran into that of Eliza's.

Directors were Mrs. Geraldine Miller, Mr. Bob Hughes and Larry Highbaugh. Mrs. Miller took charge of the music and singing, while Mr. Highbaugh was responsible for the set and other technical aspects. Mr. Hughes directed acting and coordinated the production.

Officers and sponsors of the FBLA Club were; Mrs. Sheila Feltman, Darlene Cook, Susie Day, Marlyn Patterson, Debbie Bowling, Marcia Sewell, Mr. Loren Jackson, and Sandy Harper.

One of the most important clubs at Ben Davis is the Future Teachers of America. The purpose of FTA is to learn about opportunities in teaching, to cultivate the qualities essential in a teacher and to foster the development of student leadership.

Activities of the 1967-68 future teachers included a panel of exploratory teachers, talks given by Mr. Carpenter, college counselor, on college careers in teaching, Mr. Duerstock, junior high teacher, on teaching students in grades seven through nine and Judge Fields of the juvenile court on what constitutes a juvenile delinquent. A style show helped to make money to finance scholarships for college-bound seniors. FTA gave two \$50 scholarships, and Classroom Teachers awarded three \$100 scholarships to club members.

The purpose of the FBLA Club is to prepare students for careers in various businesses. The club attended Ball State University last year for a state convention.

It enabled students to share these interests and explore the opportunities and requirements in these fields. Students found out how to grow as individuals and learn about the community life in which they would soon participate as informed citizens.

This year Mrs. Ursel Sommers and Mrs. Margaret Shuler were the club sponsors.

The Red Cross activity of the year was contacting relatives in Vietnam for persons unable to get any information themselves.

Ben Davis yearbook proves to be "Giant" job

Pictured above is the second semester staff of the 1967-68 Keyhole.

Work on the 1968 Keyhole began in the summer with editor-in-chief, Kathie German, spending two weeks at an I. U. workshop. Each member of the staff was assigned to various jobs which he completed with much added effort. Staff members put in many extra hours of work after school to complete the yearbook. Everyone worked hard to make the 1968 Keyhole the best ever.

Leaving the work behind, the staff enjoyed attending the Marion County Press Day, Wabash Valley Press Day, and the Ball State University Press Conference. Winning a second place plaque for yearbook theme copy, at the Marion County Press Day, was editor, Kathie German. Members of the staff completed the year with a rewarding banquet at the Iron Skillet.

Madrigals toast to the medieval ages at the 2nd Annual Madrigal Dinner.

The Madrigals of Ben Davis High School were an ensemble selected from the Purple-Aires choral group. Their repertoire of music consisted of fifteenth and sixteenth century motets and madrigals. Last year, in the school cafeteria, authentic costumes added to the revived tradition of the madrigal dinner. This group also entered solo and ensemble contests for the district and state. They received first place awards in both of these divisions.

A sense of worth, pride, and recognition was felt by each member of Purple-Aires this year. The highlights of the year were Christmas programs, a Spring Concert, and State and County Choral Festivals.

This group of 47 music students performed for various community activities. Membership was gained by auditions in the spring, after completing one semester in a training choir. The Ben Davis Chapter of G.A.A. participated and competed in many different sports activities this year. An able basketball team was organized along with a volleyball team. Outside of playing basketball and volleyball, the girls also competed in such sports as track, softball, bowling, and swimming. The club was under the direction of Mrs. Anna Hayward.

Offering courses, ranging from special education to advanced placement classes, was the English department, headed by Miss Jean Prichard. The curriculum was designed to instruct students with different learning abilities. There were seventy-two different periods a day offered. The classes ranged from twenty-nine pupils, the largest, to ten, the smallest.

This was the second year for the advance placement course. This course was offered only to a select group of seniors, those doing the most outstanding work on the PSAT test. At the end of this class, the students were required to pass a test that allowed them to earn a college credit.

Some of the new ideas the department was using this year was experimenting with team teaching and large group instruction. Next year the department plans to use a course in linguistics.

The Speech Department has had a successful year, in regards to its achievements, for individuals as well as collectively. Elementary and advanced classes in debate, public speaking, and dramatics helped students to achieve greater fluency. For the more theatrically inclined, courses were offered in the history of language and the theater, and the arts of make-up and costume design.

field of science

Science is the subject with a future that plays such an important part in the present. It influences every aspect of life. The Science Department offers courses to fill the requirements set by the Indiana State Board of Education. Lab work is an important part of every science class. Some of the lab experiments performed in the classes were burning sulfa and dissecting planarian worms. Mr. Daryl Miller was assisted by a staff of well-trained teachers.

Theorems, axioms, ratios, and equations, are just a few of the words that students are exposed to in math classes at Ben Davis.

The math department, which is headed by Miss Nina Martin, offers a wide choice of math courses. These include: general mathematics, Algebra I through IV, plane and solid geometry, trigonometry, and senior mathematics.

Knowing important events, coupled with a knowledge of people and their contributions, was the main objective of the social studies department. With the addition of new and better classes, such as Russian history and American problems, the curriculum has improved. History, government, and economics were among the many and varied academic subjects that could have been taken by students in this department, which was headed by Miss Carruthers. Students participated in special activities that included press conferences, panel discussions and outside speakers.

Language is the first step toward understanding

With the distance between nations becoming shorter and shorter, languages can no longer be a barrier. The language courses offered at Ben Davis included Spanish, Latin, French, and German. Outstanding pupils were honored by being given the opportunity to spend the summer in some foreign country. This is determined by tests and interviews given at Indiana University. Learning to speak, write, and understand the language were the main objectives of this department.

All secretaries must be able to take dictation. Here Linda Wagonseller develops this skill with the help of modern equipment.

In the world that faced Ben Davis students, more was being demanded of employees than just a mere get-up-and-go. Preparations of students to succeed in the business world, as well as in society, was an important objective of Ben Davis High School. For college bound students, Business Education also provided courses as electives so that they could help finance their college education if desired. By means of modern equipment and techniques, pupils gained practical and fundamental knowledge.

Library Research helps to aid pupils in studies

After teachers and students, in order of necessity for a school, are books—the resources of the serious student and the tools of the scholar. Under the direction of Miss Elizabeth Lefler, the staff of the library combined all information into categories pertaining to every day subjects, making research work less confusing and more readily obtainable for class use. Since last spring's contributions, the Ben Davis Library has doubled their number of records, along with obtaining more film strips.

In the General Art classes Ben Davis students were concerned with wire sculptures, rhythm-of-figure drawings, and expression. Designating their own jewelry and learning about fundamental tools used in the making of them, involves the Jewelry classes. Ceramic courses teachers taught methods of making pottery in hopes of creating art objects.

Useful to all girls, Home Ec provides an atmosphere of learning, mixed with enjoyment and pride, as girls prepare for gracious living in a busy world.

In Industrial Arts, the goal was to provide the student with a degree of skill in the use of common tools and machines. The students gained a sense of responsibility toward occupational excellence and guidance in the selection of vocations. Both theory and actual practice in learning skills was required in the industrial art classes, with well-equipped laboratories greatly enhancing instruction.

The varsity football team, under the direction of Coach Bill McClain, and Assistant Coach Bob Derival, finished with their best season since 1964. They compiled a record of four wins and six losses.

The highlight of the year was the Homecoming game, when the Giants upset Washington, who was fifth ranked in the state, by a score of 26 to 20.

An excellent finish for the season, was the naming of four Seniors to All-County berths. They were halfback Bob Williams and guard Phil Beers named to All-County First Team and Dave Verhonick quarterback and Earl Simon end, named to the All-County Second Team.

John Licht, Senior, also gained honors by receiving All-State Honorable Mention for his defensive play throughout the season.

Ben Davis matmen set goals for future years

At the end of the 67-68 wrestling season, the varsity grapplers emerged with a record of 4 wins and 6 losses, even though the team consisted of seven underclassmen.

Fine performances were shown by seniors, Earl Simon, Gus Mathias, and John Licht. Most outstanding was senior Bob Willoughby who won the sectional crown, and with a disappointing loss finished second in overtime state competition.

On the other hand, the reserve "matmen" handed first year coach Jim Yoder a very respectable 7-3 season. Sophomore Grant Hodges was in the enviable position of being the only undefeated wrestler on either varsity or reserve. The entire reserve team lived up to the fame of "Big Ben".

Senior Bob Willoughby "near falls" his Anderson foe.

1968 Cindermen lower times and raise heights

The 1967-68 Track team, under the supervision of coaches Bill McClain and Marvin Miranda, ran to a dual-season record of seven wins and two losses, losing only to North Central and Washington.

Four new records—Bob Williams pole vaulting 13'1", Jeff Rhodes high jumping at 6'5½", and Jack Keeler running high and low hurdles in 14.6 and 19.4 seconds respectively—the team went from the sectional to regional and qualified for state. There Jack Keeler took third place in high hurdles and Jeff Rhodes took first in high jumping with a record 6'7¾", pushing the team to finish sixth in the state.

"It will not be easy to replace the eight seniors that have been our top point getters for the last three years," says Coach McClain, "but I think the underclassmen will come through."

The team placed 9th in the sectionals, and sent four sophomores, Fred Poland, Craig Thomas, Jay Ludlow, and Rick Shadburn, to the state finals. At the end of the season the team lost only one member because of graduation. Next year there will be four returning lettermen.

Having lost a majority of their lettermen; the tennis team faced a set back on their record. Although last year's record of 6 wins and 10 losses was a disappointment to both the boys and coach Mr. Roger Bush, the future looks bright. They will have four returning, plus an undefeated freshman team to develop a stronger team for next year.

Huddleston's team takes championship game

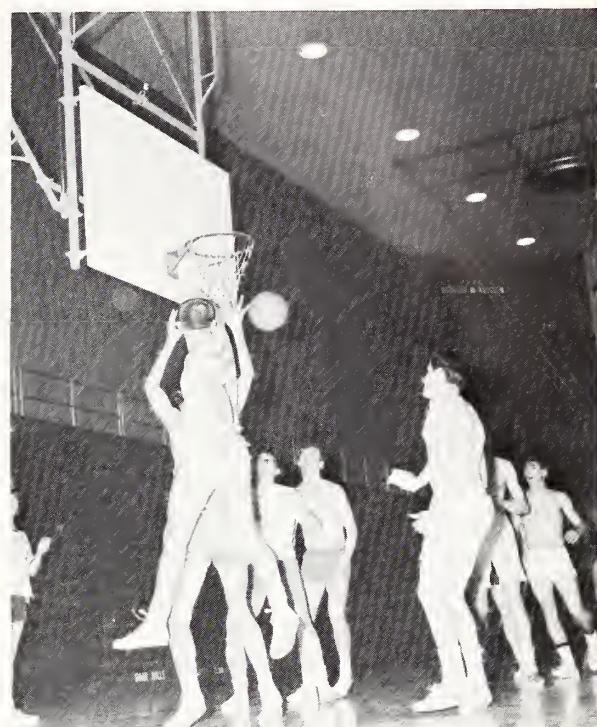

It's the shirts against the skins in action to gain control of the ball.

The end of the intramural basketball season resulted in a round-robin play-off. This year's intramural champion was Gary Huddleston's team downing the team of Dave Gross. All members of the Huddleston team received gold pins for their play.

Dave Gross' team, even though losing the championship game, wound up with the best record, seven wins and one loss.

Intramural basketball was created to provide an opportunity to all boys wishing to play the game in competition. Teams were balanced in player number and size so that no group would have an advantage. At the end of the season, a round-robin tourney was held to determine the championship team.

Mr. Roger Bush sponsored the intramural basketball program, that played every Monday night during the winter months.

Pitching and hitting lead to winning county title

The "Giants" baseball team under the leadership of Mr. Ken Cox took the county title for the first time since 1959. They beat Warren Central 7-0 with Rick Hukill pitching a two-hitter and Ray Slagle hitting a grand slam homer. It was Slagle's second of the season.

Ben Davis was represented on the all-county team by junior Slagle, who was the leading tourney hitter, and by seniors Hukill and Dave Verhonic, who batted about .330. On the honorable mention list were Charlie Garver, senior, at catcher and Terry Miller, sophomore, who batted .540 for the season.

Last year's sectional champs were dethroned by Washington 4-3 in a heated game.

The future looks bright for the county champs with eight returning lettermen next year.

Counselors and principals guide BDHS students

In his job as principal for BDHS, Mr. Billy Abel was constantly supervising, and seeking to improve the total school program. Various areas under his direction included teacher scheduling and assignments, reporting to the North Central Association and the American Field Service Exchange Program.

Mr. Robert Seeman was vice-principal in charge of student scheduling, guidance programs, and the curricular activities of the six-period day. Working closely with him was Mr. Howard Williams, vice-principal in charge of extra-curricular activities. Mr. Williams felt that education was not all books and worked to maintain an interesting and varied program for the students through coordination of clubs, athletics, student government and convocations with the academic program.

The deans and the counselors gave students help with their current problems, as well as aid in choosing a future career. Mrs. Rosalie Harcourt, dean of girls, and Mr. Trent Gibson, dean of boys, were in charge of keeping attendance records, and counseling students. The counselors directed student development and maintained academic records.

Helping students prepare for a career can be an enjoyable experience as principal Mr. Billy Able proves.

Enjoying a rare break in the days business is vice-principal Howard Williams.

Providing sound advice is one of Mr. Seamans many live qualities.

Juniors prepare for final year at B.D.H.S.

Striving to make their Junior year the best, the Class of '69 looked back on their last moments as underclassmen.

Class rings and P.S.A.T.'s greeted the Juniors early in the fall and during the year, top students worked hard and studied diligently to earn membership in the National Honor Society.

As the year progressed, strong enthusiasm was built as Juniors campaigned for Student Council and Senior class officers in the spring. Amid the elections, the picnics, and the banquets, the Junior Class planned the annual Junior-Senior Prom. Many hours were spent in preparing for that unforgettable moment.

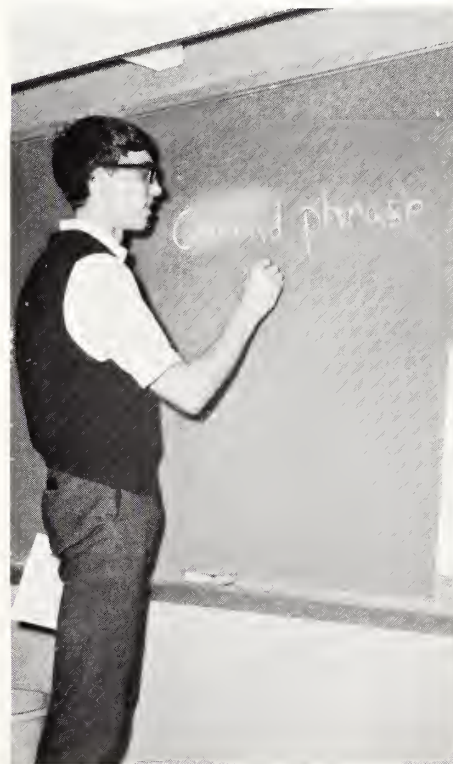

Class officers were Max Magnabosco, President; Jeanette Eilers, Vice-President; Carol Schoeber, Secretary; and Karen Barker, treasurer guided by Mr. Robert McKinley, sponsor.
